

Confirmation of Goods Receipt

Use this Job Aid to:

- Confirm a Goods Receipt

BEFORE YOU BEGIN

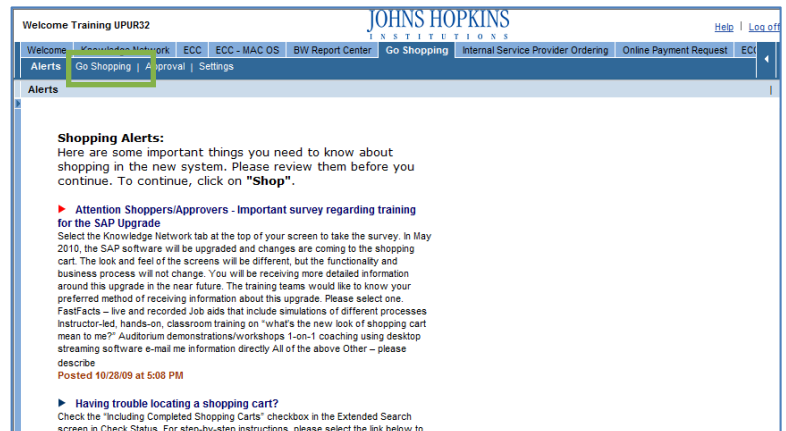

You need the purchase order or shopping cart number.

Confirmation of Goods Receipt

A Goods Receipt is confirmation that the goods ordered have been received by the requestor. For JHU a goods receipt or confirmation is required on any Purchase Order \$2500 or over to allow payment of any invoice on that Purchase Order (PO). PO's under that amount may require a GR if they are of certain document types, namely, Sub-award and Subcontract Purchase Orders (SPPO's), Project Purchase Orders (PROJ), Capital Expenditures- equipment purchase Orders (CAPP), Independent Contractors, inventory purchases and auto confirming vendors.

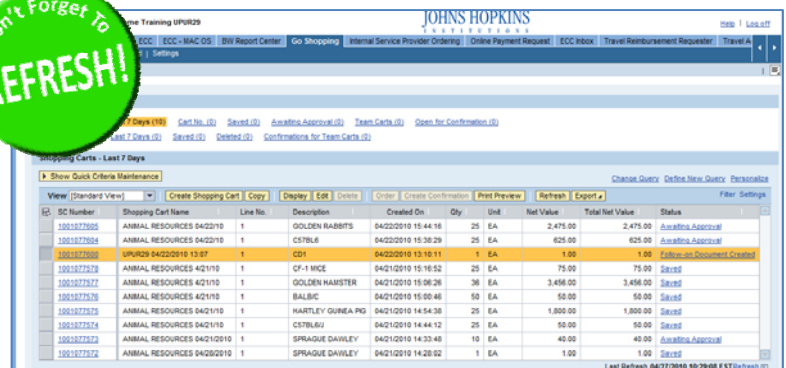

Let's start by searching for the shopping cart or purchase order number.

1. **Select "Go Shopping."** After you select the "Go Shopping" tab from the top line, select "Go Shopping" again from the next line to access the Shopping Cart Home Page.

2. **Refresh.** At the Shopping Cart Home Page, click "Refresh" to make sure that you are viewing the most up-to-date information.

- Your most recent work will not appear until you have clicked "Refresh."

- To create a confirmation of goods.** Your shopping cart must have gone through approval and have a purchase order number in order to create a confirmation of goods. Highlight the document from the shopping cart home page and click on the Create Confirmation button at the top of the screen.
