

Hot Topics

As a part of our training endeavors, HR Shared Services will be hosting *Hot Topic* meetings sporadically throughout the year. In the Hot Topic meetings we will focus on a specific topic and have an in depth discussion about issues surrounding it. These meetings will last *up to* three hours and are open to any staff member (University or Health System) interested in the topic being discussed. If you have an idea, about a HR Shared Services related topic, that you and other colleagues would like to learn more about or you are interested in attending a Hot Topic meeting, please contact both Takieya Williams and LaKeisha Davis at 443-997-5828 or HRSharedServices-Training@jhu.edu.

You will not receive a confirmation email, however you may receive a document to print and bring to the meeting.

For details on how to register for a Hot Topic meeting click on the respective meeting title for details.
