

Johns Hopkins is in the process of implementing a new bank provider and new transaction approval system for the Procurement Card Program.

During this time, the Request for Procurement Card and Request for Approver Access application forms will not be available while updates are in process. New PCards and PCard Approver access will not be issued until after the implementation of the new transaction approval system.

The application forms are expected to be available again approximately 7/27/09.

For additional information, please contact the Procurement Card Administrator, Josh Abel, at [pcard@jhu.edu](mailto:pcard@jhu.edu) .
