Completing I-9’s for New Hires

I-9’s for new hires are completed by a department for US Citizens only who are staff and faculty. All Homewood Students who are US Citizens must complete their I-9 in the Office of Student Employment Services. On the ISR, choose American as the nationality for US Citizens. Nationality represents Citizenship, not ethnicity.

For non-US Citizens, the I-9 must be completed by the appropriate international services offices:
